SIR WINSTON ON HOLIDAY.

Sir Winston Churchill is greeted by sunshine and the local mayor, as he arrives at Nice Airport from London. He's in the South of France to spend a few days well-earned rest from Parliamentary duties at the luxury villa of his friend Lord Beaverbrook. Lady Churchill, who is none the wiser, is not with the Premier, but his daughter Mary made the journey with him.

At Lord Beaverbrook's villa at Cap D'Ail, not far from Nice, Sir Winston will be spending most of his time out in the sun dabbling in his favourite hobby, painting.
