

BLACKPOOL V. LUTON.

Blackpool in dark shirts kick off for the third time of asking against Luton, and the crowd at Wolverhampton have only one thought in mind: will there be a victory this time? Mattews worries the Luton fans as he tries to score a quick one for Blackpool. But not this time. Luton get it moving out of harm's way.

The pitch has been frozen almost solid in the past few days, making the ball bounce away out of control time and again. About the only player who feels at home is Blackpool's Bill Perry, No 11 who got used to grounds like this back in South Africa. Now, at the Luton end, Blackpool force a corner -

Stanley Mattews takes it. Allan Brown manages to slip it to Perry who drives it past the goalie for goal number one.

Blackpool, (last year's Cup winners) are full of confidence now. Its still one-nil at half-time. Play resumes with Blackpool out for blood again.

Perry seizes on a bad clearance, but his shot's over the bar. Soon its Blackpool's turn to get a scare, but the safe hands of goalie Farn keep the net untouched.

Its that Perry again and down he comes like a wolf on the fold

Perry switches to the other wing. His centre finds Stephenson who lifts it into the net for Blackpool's second goal! After four games totalling seven hours play, Blackpool go up into the fourth round.
