The young Howard Jones who has fled his home a few weeks ago to discover the world and more particularly Egypt, was found by French police and sent back home.

However, when Lt. Col. NASSER heard of his desire to visit Egypt and its archeological treasures; he officially invited young Howard to come over to Cairo as his guest, for a week's visit.

ON April 6th. 14 year-old Howard Jones arrived in Cairo with his mother, who is a French Teacher in a British School. As soon as they landed from the plane at Cairo airport, Howard asked to visit the Pyramids and Sphinx. Mr. Kamal El MALAKH who found the Solar boats in Cheops is their guide to the different historic monuments

Thus young Howard Jones could realize his dreams and visit, on camel back, the Pyramids, the Shpinx and the solar boats Mr. Kamal El Malakh himself explains how they had to take off 42 stones each weighing about 16 Tons before reaching the famous solar boats.
