GORDON PIRIE WINS IN BRUSSELS
Positive developed = 14 meters - 47 ft
Negative developed = 13 meters - 43 ft
27 meters - 90 ft

In an international Sports event yesterday at the DUDEN PARC grounds in Brussels, Gordon Pirie made a splendid 2000 meters and covered the distance in 5'12", only just overtaking Hungaria's TABORI and IHAROS in the last straight run.

The three men had been running together for most of the race when Gordon Pirie launched his last attack and won.
