INTERNATIONAL MOTO-CROSS COMPETITION  
No competition known  
Positive developed: 45 meters = 150 ft

Yesterday on the Morel's Buttes in Montreuil near Paris, the new moto-cross tracks were inaugurated by the international President of the Republic's Prize,

In the bright sunshine many parisians and moto sport fans had come to Montreuil to see the best aces from Belgium, Great Britain, and even one american, dispute to French champion this coveted prize.

In the competition were :

- 2 belgians, Leloup and Baten
- 2 britishers New and Ward
- the american Ekins
- and the Frenchmen Brassine, Frantz, Jacques Charrier, Melioli and Lusseyran.

After a very tough fight between the competitors it was finally the British champion WARD who won the race before the Frenchman Franz.
