The Venerable R.G.H. McCahearty,
The Rectory,
St. Nicholas Church,
CHILSLAKEHURST.

Dear Sir,

Unfortunately you were not available when our representative ,
Mr. Whitaker called this morning. However, Mrs. McCahearty was kind enough
to see him, and we confirm his conversation with her, when he explained the
great interest in the opening of the Walsingham Tomb.

We hope you will be kind enough to grant us permission to have a
cameraman present when this takes place - you will readily appreciate that
we have had requests for this film from our associates all over the World.

You need have no fear that our cameraman would work with bulky
apparatus - he would merely use a hand camera, and would in no way obstruct
the proceedings.

We will be grateful to have your permission - and will willingly
donate the sum of five guineas to your church funds.

Yours faithfully,
