CANNES FILM FESTIVAL.

In the garden of the Aga Khan's luxurious villa at Cannes, the Begun chats with Ginger Rogers and French actress Dora Doll. You might think they're taking an hour or two off from the Film Festival, but at a show like this there's no rest for the stars - as Richard Todd and Susan Hayward can tell you. Their job is to be photographed and that goes for Diana Dors as well..

All ready for the line-up - and from left to right it's Dora Doll, Yvonne Furneaux, Ginger Rogers, Richard Todd, Diana Dors, Susan Hayward, the Begun, and Hans Waltraut. Only one man - some people have all the luck!
