Dear Tommy,

Re..LORD MAYOR'S PRESENTATION

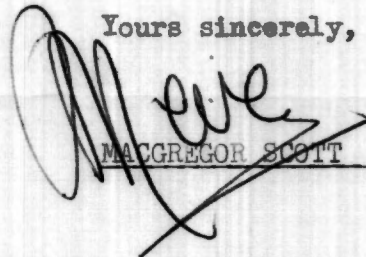

I attach hereto list of situations on the Sol. Sheckman Circuit which play our Newsreel. You will note there are 10 3 d/o, and 9 6 d/o.

I spoke to Sol. Sheckman this morning, by phone, and he is delighted at our gesture to supply him with a long version for use in his own theatres.

Knowing old Sol. as we do, you can lay it on thick. I would suggest that you refer to him as Mr. Sol. Sheckman, Chairman and Governing Director of the Essoldo Circuit, the largest Independent Circuit in the U.K.

We will arrange to supply the 10 3 d/o, and then Sol. Sheckman's Managers will have to get the long version despatched to the 6 d/o, and replace the national part for the other 6 d/o customers.

Yours sincerely,

  
 MACGREGOR SCOTT
