SOUTHEND ARCHERY TOURNAMENT:

Three hundred and fifty archers from the Home Counties - men, women and children - take part in an Open Archery Tournament at Southend-on-Sea. All the competitors - including some disabled men, for whom this is an ideal sport - are dressed in green and white, giving the whole thing a mediaeval air.

Mr. Joe Davis, is a favourite for the men's event - another is Dr. D. Ashcroft - national indoor champion. Quite a trial of strength, this - each competitor has to shoot 144 arrows - at various distances.

Joe Davis wins the men's event - and now it's the ladies' turn. Last year's English champion Miss Joyce Warner (on the right) wins another first prize for her mantelpiece. Watch your step, chaps - these girls are mighty quick on the draw!
