My dear Renee,

It was nice to hear from you again.

I am glad that we are able to go ahead with the
Fur Show on Monday and confirm that the name of the National Fur
Company will be mentioned in our commentary.

Obviously, unless anything goes radically wrong,
the story will be used - it would be too costly to take, otherwise!

Unfortunately I am quite tied up this week, so
will not have the pleasure of joining you at Maison Basque on
Thursday, but thank you for asking me. Anyway, perhaps we can fix
something one day soon? It would be nice to see you again
it must be years!

Sincerely,

Patti Picorial -
