BELGIUM'S SCOUT JUBILEE:

Reviewing Belgium's Baden-Powell Jubilee Day is King Baudouin, with Lady Baden-Powell, daughter-in-law of the founder of the Boy Scout Movement. All over the world, Scouts and Guides have been celebrating 1957 as a double anniversary - the centenary of Robert Baden-Powell's birth, and the first half-century of the great movement which he founded. This is Belgium's contribution and 40,000 Scouts and Guides, presided over by their young King, have gathered near Brussels for its grand climax in Boisfort Stadium.

One can't help reflecting that this high-spirited get-together is just the sort of occasion in which Robert Baden-Powell himself would have delighted.
