FOOTBALLER OF THE YEAR:

One of the big football occasions of the year was staged at the Regal Cinema, Falkirk. The best right back in Britain, in other words Alex Parker, came to receive in the presence of teammates, of Falkirk, the Rex Statuette. The Provost spoke for all, on the platform or in the big audience, when congratulating Alex. And that wasn't all. The Supporters' Club present him with a check.

To be chosen Footballer of the Year, in competition with all the great players Scotland produce, is an honour indeed. Now, to join the illustrious company of previous winners of that proud title, comes, most worthily Alex Parker.
