CAMPING-EXHIBITION

Length: 36 metres.

A national camping-exhibition in The Hague gave a wide choice both to the sportive campers and to those having a greater purse and liking more comfort.

The "Travel-sleeper", a light all-steel trailer. By one grip this trailer can be pulled out to a very comfortable bedroom for 4.

The water supply doesn't give any difficulties more, because by means of a water-filter even ditch-water is changed into crystal-clear sterile drinking-water.

Many visitors tried this water without hesitation.

The true-Nomad can, thanks to the latest invention, put up his tent at any place he likes.
