BIRTHS IN THE ZOO OF ROME

In the Zoo of Rome three whelps are born.

They are shown here with their godmothers, the starlets Lorella De Luca and Alessandra Panaro.

Their names are after Rome's past characters PASQUINO, MARFORIO and RUGANTINO.

Many viewers, most children to enjoy the event, and even a chimpanzee.

At last the three little one are returned to their own mother the lioness.
