

NORWICH - V - LUTON.

Norwich City kicked off at Tottenham in the semi-final against Luton Town, Norwich playing in the darker jerseys. City's outside-right Crossan was brought down by Hawkes, and it was clear that it would be a hard-fought game. Luton outside-left, Gregory was robbed of the ball in a way that showed that Norwich take First Division Clubs in their stride in this year's Cup competition. McCrohan to Crossan, but it went over.

The Canaries were all out for an early lead, but Baynham saved, and then Luton's extra class began to tell. Outside-right Bingham centred. His inside man, Alan Brown headed, and it was a goal for Luton.

The Hatters kicked off after the interval. Left-half Pacey put the ball across to Bingham. He centred. Great chance for Luton, but Kennon grabbed the ball and City breathed again. Not for long. Luton centre-forward Merton made ground and shot hard, only for Kennon to save once more.

Bingham back-heeled to Cummins, but the Norwich Captain, Ron Ashman, once again came into the tackle, beat his man, and saved the situation. Luton's first-half superiority had vanished. Fabulous Norwich proved that in the Cup they face the country's best sides on equal terms. Outside-left Brennan received the ball from the right and gave Baynham no chance. Norwich had equalised. What an utterly amazing team they are.

Again Norwich attacked. Brennan's corner spelt trouble. Luckily for Luton, Baynham got the ball away.

A last minute Luton attack. Kennon saved an almost certain goal. And then it was all over; a one-all draw. Both teams had played a match no one who saw it will forget for a long time.
