107th ANNIVERSARY OF POLICE

The 107th anniversary of the Police foundation celebrated all over Italy had a particular meaning in Rome.

An imposing test of skilfulness, training of the various units of Italian Police was performed at the presence of the Head of State, political, military and parliamentary authority and representatives of the diplomatic body. The manifestation took place in the fascinating Renaissance frame of the arena at Piazza di Siena in Villa Borghese, full-crowded.

Among the various spectacular tests, outstanding was the one by 220 police-athletes, ~~xxxxxxxxxxxxxxxx~~ ~~xxxxxxxx~~ of the "Sicurezza a mare" which rescued last summer 80 persons at sea.

They settled in three lines, lifting ^{each} on their arms a board to form a wooden carpet with their name "Gruppi Sportivi Fiamme d'Oro" (Sports teams "Golden Flames"): the road policemen trained for motocross roared over with their motorcycles.

Another outstanding display was the carousel of the police motorcycleists.

N.B. President Gronchi congratulated the Head of Police on the high training of the police fire ladder (on special exclusivity) 40 meter high
