

BOXING CANADIAN CHAMP SCORES K.O.

✓
Heavyweight battle in Toronto. Canadian champ George Chuvalo in white trunks carrying the fight to Yvon Durelle. There's plenty of action for the crowd of ten-thousand in Maple Leaf Gardens, as Durelle gets floored by a left hook., but not for long. Again Chuvalo connects - a right cross this time makes it look like the end. ...But Durelle, game as they come, is again trading leather with the 210 pound champ, and he keeps boring in. But again the New Brunswick fisherman is sent down to the deck. The sixth knockdown in twelve rounds proves all even Durelle can take. The referee counts off the fateful seconds for a valiant battler who lasted to the final round but couldn't quite make it all the way. Yvon Durelle at least has the satisfaction of having given the fight of his life to George Chuvalo -- still the champ.
