LEWIS K. O'S O'BRIEN.

Percy Lewis coloured holder of the Empire Feather-weight title, faced the challenge of John O'Brien of Glasgow, at Nottingham Ice Stadium: (Reg King's promotion). Lewis comes from Trinidad, nowadays lives in Oxford, carries a lethal punch. But undaunted by the Champ's reputation, O'Brien pleased the fans in round one. Cooper twins included.

Round Two. O'Brien hoped his advantage of ten years in age would tell, as the fight went on.

The Round had 45 seconds to go when Lewis connected with beautifully timed left hooks.

To the astonishment of all, O'Brien misjudged the count.

So Lewis was the winner by a knock-out, before he'd had time to warm up. The win should carry the right to meet Davey Moore for the World Title. Cheers for a great champion, Percy Lewis.
