Dear Mr. King,

As requested by you, I confirm that both British Movietonews and ourselves are interested in the Percy Lewis v. Johnny O'Brien Champion fight at Nottingham on December 7th., and will be glad to receive two permits for each Company for the elevated positions and one permit each for the ringside.

I will telephone tomorrow regarding the lighting as if we are installing the lights in the normal way I shall also need three permits to cover the electricians.

I also confirm that it is clearly understood that this film will be used for newsreel purposes only, unless written consent is obtained from the Promoter.

Yours sincerely,  
ASSOCIATED BRITISH-PATHE LIMITED.
