

PANMUNJON: FUN AND GAMES

20. Remember Panmunjon? Seven years ago it was in the news every day, as the place where they worked out plans for peace in the Korean War. And ever since, the Military Armistice Commission has been in session, with tempers just as frayed as they used to be. The other day a North Korean guard kicked a cameraman and there was soon a dust up with the Army soldiers. It goes on all the time.

up.

75. What a way to make a peace settlements. Casualties - six Koreans knocked down.
