FERRARIS 1-2-3

The owner of Aintree track and course, Mrs. Topham, was there to see the 14th British Grand Prix sponsored by the Daily Mirror. Motor Racing's come to Aintree in a big way. In the rain waited 30 crack drivers. In a Cooper, Jack Brabham. Also taking last minute shelter, Stirling Moss, Lotus. The race was 75 three-mile laps for Formula One cars. The drivers represented nine countries.

Catch phrase for the afternoon - Watch my spray.

Number 26, the long awaited Ferguson.

Taffy von Trips (Ferrari) took the lead on the 7th lap and kept it all the way.

Moss took over the Ferguson, when his Lotus had brake trouble.

By this time von Trips had the race in the bag.

At 83-9 miles an hour von Trips was the winner; to other Ferraris 2nd and 3rd. From the wife of the Mirror Editor, Mrs. Lee Howard, von Trips received the Trophy, and all that....for British motor racing, not a very good afternoon.
