## BERLIN POLICE SHOW

140 metres  
rough cut

The Berlin Olympic Stadium was packed to capacity with 100,000 spectacle-hungry Berliners for the traditional annual Police Show. The Berlin policemen belong to the most popular "cops" in the world. Always with a smile and an assuring and pleasant demeanour - they are as feared as any capable police-corps in the world when they mean business.

In the annual show the Berlin police gave proof of their excellent condition which is due to a tough training.

In the light of the present Berlin situation this public appearance of the police was more than a mere show - it was a mass-demonstration of the firm attitude embodied in every Berliner - in uniform or not - to stubbornly resist threats from the East - to stand up for their freedom as firmly as during the 1948/49 threat when they were saved by the unique air-lift.

The show was received with enthusiasm and respect by the 100,000 Berliners and their allied friends.
