In our Pet Parade (IV) we present a popular canine friend : the poodle. Already in the antiquity this most friendly disposed pet conquered the boudeirs. The poodle dominated fashion and in return fashion dominated poodles. Never before were canine beauty-parlours so overcrowded as today.

This proud pedigree-dog is bred as a dwarf but also as a good-sized king's poodle. His greatest passion is to retrieve and he loves carrying parcels or papers . Poodles always enjoy themselves - and we enjoy their frolics, friendship and good nature.
