FALL OF SHELTERS (Deal, Kent) LTD

Kent Office: Longfield,
Balmoral Road
Kingsdown, Deal.

Directors: Edward T. West, 'Longfield' Kingsdown,
Kenneth Burnett, Albion House, The Marina, Deal.

Designer:- Eric Greenhalgh, Cornwall Road, Walmer.

The pre-cast concrete units are produced at South Coast Concrete Co. Chartham, and metallic and air filtering equipment at Thanet Ware, Ltd., Ramsgate.

Prices will vary according to the site, but expected that the 'B' type family shelter (4 persons) will cost £500.

Hire Purchase facilities are available - expected that in the case of 'B' type shelter deposit to be around ~~£500~~ £100

In 6 weeks time 50 shelters can be produced per week. After a further 6-8 weeks a ceiling can be reached of 150 per week, which will entail a direct labour force of 525 men.

This shelter will remain on the Oak Street site for 3 weeks, before being moved to London for similar exhibition. This site open to the public as from Saturday.

Enquiries have already been received from various parts of the country for these shelters, mainly so far from business and professional men.
