

LUTON - V - NORWICH.

Owen spun the coin and won the toss for Luton at St. Andrews in the semi-final replay. 50,000 fans on the Birmingham ground saw Terry Bly set the game going. Norwich playing from right to left; Luton in white shirts. Down on the Luton goal swooped the Canaries, and Bly made Baynham dive for it. He only half cleared, but Luton escaped. All out attack was the Norwich plan, and Luton knew that this great team, were at their most dangerous. Baynham saved Luton again.

Locals in the big crowd wondered how any team as good as Norwich could be in the third division. The clubs they've knocked out wondered the same. Luton took up the attack now but Kennon got the ball away. So far there wasn't very much between the two sides. Perhaps Norwich were the shade the better. Baynham, in Luton goal was playing in England firm. McNally saved the day when Baynham could do nothing. No score at half time. Luton kicked off on the resumption, playing from right to left. Norwich reserve goalkeeper Kennon was playing with more confidence than hither-to. He had need to be, for Luton were already looking more dangerous than in the first half. On both sides the tackling was hard. Fortunately, referee Hickson had the game in complete control.

Once again, Luton had the brilliant Baynham to thank for keeping their goal intact.

Again Norwich stormed the Luton goal. Somehow the defenders prevailed and at the critical moment got the ball away. At the other end Kennon stopped a promising attack. Then City right half McCrohan fouled Cummins. Free kick to Luton.

Tony Gregory put the ball across goal. A defender deflected it towards Alan Brown. Like a master he sized up the position. Waiting for the exact moment before parting with the ball. He centred. Merton deflected the ball. Bingham scored!

So Luton go into the Final. What a pity it's at the expense of gallant Norwich City.
