**KAY STAMMERS WEDDING.**

Thousands of Tennis Fans pretend they are at Wimbledon on Finals day ..  
when Britain's lovely star of the Courts arrives for her wedding  
at St. Peters Eaton Square in London.

The lucky young man is Mr. Michael Menzies... who is in the  
Welsh Guards. And now if you think I'm going to crack the  
one about love, set and match .... you'd better think again.

And as you know, its the custom for tennis stars to be known  
by their married name. But we hope Mrs. Menzies won't mind if we  
go on calling her Kay.

O.K. with you Kay? That's fine.
