"OVER THERE" NEWS FLASHES FROM FRANCE

It is Church Parade, and the streets of a French village ring with Martial strains from the Band of the Royal Irish-Rifles. The troops are hearing Mass, at the Village Church.... And so back to duty.

ANTI TANK RIFLE PRACTICE.

Troops in France, put in some practice with anti tank rifles.

The Targets are of canvas and wood - - so that direct hits, show only as minute holes, too small to be seen at this distance:

But you can take it from me there are plenty - -

Imagine they're real boys . . . and that Jerry's inside . . .

Let 'em have it.
