RED CROSS BOXING TOURNAMENT.

Some of our best known amateur boxers - - many of them in the Services - - are training hard for the BIG SLOB at the Empire Pool, Wembley, on February 22nd.

The idea is to swell the funds of the Red Cross - -and the others fellow's eye!

These are the Navy's representatives and you can bet they prefer a scuffle to a scuttle.

Petty Officer Warnes, former Services Champion, is matched with Arthur Danahar, now in the Irish Guards.

Besides these boys from the Army and Navy, there will be fistic Champs from France, and the Dominions - - just to make the evening nice and friendly-like.

If this is a taster - - the fan's going to be fast and furious.

We hope that in every clout - there'll be a silver lining - - for the fund.
