

DOMINION SECRETARY WITH THE CANADIANS.

Mr. Anthony Eden visits Canadian Troops "Somewhere in England"

He is greeted by the G.O.C... The Calendar says Spring is coming -b-
maybe it is So's Christmas.

Mr. Eden sees a party of Canadian Highlanders "digging themselves in"
in conditions, which remind them of home.

After a long tour, Mr. Eden feels like a cup of tea, though ~~wariness~~
nobody can say, he looks like one, - all nice and hot! Mind your eye,
with that spoon sir! Mr. Eden is warmed by the men's enthusiasm, and
a nice cup o' tea.
