

FIRE PRACTICE AT THE ZOO.

Come on Steve.... They have their own way of going to blazes at the Zoo, and the men of the fire fighting unit show how they get down to the job.

Gosh... he's busy. Before you can say Hippopotamus they're getting a cooler on Mappin Terrace.

What a blue pencil lark! But the lion prefers a "Rill Mill" Hey... free drinks... and the penguins simply jump for joy. Just look at the squirts! And the Penguins have another look. But the fellow who gets off best is used to taking plenty of water with it.
