RECORD WAR SAVINGS WEEK.

The people of Keighley,Yorkshire, have raised an enormous figure -

19 stone - I beg your pardon, that's Mayor Joseph Denby, a mighty

force behind Keighley(s War Week effort. Mounting a fire brigade ladder,

the Mayor prepares to show what the 56 thousand people of the borough have

subscribed. It represents over £18 per head... a record..... enough to

buy 84 bombers and £200,000 worth of bombs. Well done people, Mayor and

Corporation.
