THEY STILL THINK OF SUNNY DAYS... SOMEWHERE.

Yes, it's clothes that make the man - -make him stop and stare at some of the latest fashions from Florida. So if you're thinking of taking your holidays on the Riviera this year, here's something you can buy your Secretary.

The newest bathing costumes are more unlike fur coats than ever - - just brief and to the point. If the flowers in some of the designs do get a watering, they're lucky.

A South Sea idea is a skirt that opens, and we were lucky it's not early-closing day.
