A large proportion of these accidents occur when young children playing in the street make a sudden rush into the road. Children must play and the streets are a dangerous place. Remember that school playgrounds are generally kept open after hours. If there is a park playground nearby get your children to use it. Warn them against playing near vehicles that may move off, tell them why. Children will listen to reason. Don't jaywalk in traffic when you have children with you. Teach them that the road is for motor traffic, footpaths for people. Train them to always to stop at the kerb</p>	<table border="1"> <thead> <tr> <th data-bbox="1220 1756 821 2080">SHIPMENT</th> <th data-bbox="821 1756 1220 2080">NEGATIVE</th> <th data-bbox="1220 1756 1576 2080">POSITIVE CONT.</th> </tr> </thead> <tbody> <tr> <td data-bbox="1220 2080 821 2467"></td> <td data-bbox="821 2080 1220 2467">                     Original                      Dupe                      Colour                      Combined                 </td> <td data-bbox="1220 2080 1576 2467">                     B.W.
