Ploture-: These funny little fellows deeided to have an auto race of their own.

They don't handle their cars quite like humans but at the signal -

They get "off" alright - in fact som competitors get right "off" -- their seats, and laave thinga to chance.
of course, there are no rules to this race they wouldn't be any use because when monkeys are told to do ayything, they usualiy do as they like i This is one of the free and easient "gomes-you-please" races ever staged.

In half inclined to think that Buruin mas paryz right $\frac{1}{}$ Por instance, wy wire's mother- nol Mi better not gay it 8
