TITLE.FEMININE SPORTS.

Picture.:- They are a picked team, and have come all the way from Japan to battle with --

--eight belles of France in the first match of its kind to be held in Paris.

The hurdles -- watch the girl on the right ! She's a high kicker if nothing else. There goes another. Well kicked, Miss !

Now for the Long Jump -- Who-oy ! -- a good one for Japan.

A French effort next -- Up ! -- Ooh ! -- she felt that !

Here's another -- Zoom ! -- She digs herself in ! -- but wins for Japan.

She's Miss Hitomi and her jump was 5 metres 62.

Now comes the big thrill of the meeting -- the 800 metres flat race.

They're off ! Come on girls ! Let it go ! Look at Miss Guyot pulling the others back, as it were. She's passed them -- wonderful -- keep it up, miss -- What a thrill, but watch the second girl, a Jap ! -- a splendid spurt -- but too late. Hard luck, miss !

If that wasn't a good race -- I never saw one!
