COMMENTATOR.:- Hullo everybody ! This is the Universal Talking News reporter screen-casting the latest news.

(1).

TITLE.:- FLIRTING WITH TROUBLE.

Picture.:- Professional performers needn't apply to take part in this great rodeo.

It's restricted to real cowboys who earn their living on the ranches of --

--San Benito county. Here they are, a hundred or more of them, all lined up before the steer riding competitions, for which there is a thousand pounds in prizes.

Here's "Dynamite" ! Shaking his rider up like a cocktail ! Stick it lad ! It's rougher at sea ! He must be glued to his mount !

"Lightning" hates cowboys too ! Hold him boy ! That's the stuff to give 'em !

"Docile Dan" doesn't love 'em either ! But the boy isn't falling off for the pictures -- he's out for one of these real money prizes.

Here comes the 'star' of the show -- "Fireworks". Look out !

Phew ! That boy's good -- He must have been born in an earthquake !
