(6). TITLE.:- INTER-VARSITY SKI RACE.

Picture.:- Winter sports enthusiasts set out to see the finish of the inter-varsity ski race on the Suvretta Slopes.

Miss Beatrice Lillie (Lady Peel) doesn't keep pace with the others. A fallen "star" - for the moment !

The downhill ski race is one of the outstanding events of the season.

Here's number one coming in at a good "bat" - showing us that skis are easily managed, after all !

This chap --oooh ! --he doesn't agree ! Trying things - skis ! He's alright though - they're under control now, and he comes sailing merrily in past the post, scoring his points for his university.

Here's another going "all out" on the snowy slopes. It's a good --

--fight, with Cambridge winning, due to a great run by Mr. C. Taylor.

Here's the Light Blue team looking little the worse for their strenuous battle in the snow.
