

C-21251

(20) TITLE:- TENNIS ON ICE.

Picture :- Why shouldn't tennis be played --

--outdoors in the winter ?

It's a jolly good idea ! --

--if you're a good skater !

Unapiring is rather cold, though, but --

--the players keep warm.

Now, you tennis --

--enthusiasts, now's the time to --

--learn. Ouch ! That's what you'll get, if --

--you don't "watch your step" when playing.

It's an exhilarating pastime with fine - Ow ! - opportunities of rescuing distressed dannels.

If this idea catches on, don't be --

--surprised if we soon have a Winter Wimbledon !

Well, there's the idea - make of it what you will !
