(4). TITLE.:- OUTBOARD RACE.

Picture.:- Girls are not left out of much in the way of sport nowadays. ... Here they are out for motor boat honours.

Off they go in the big free-for-all race of the day !... They almost leap into speed around forty miles an hour ! Some of them outpace the others at such a rate that it looks as though the slower ones are standing still !... That's a good burst --

--of speed ! Round the mark they come !.. They're taking chances, at that speed !.... They're --

--lucky they don't fly off at a tangent, into the fields !

Now see this ! - a splendid burst ! He's coming at a terrific rate ! Good man ! Done it ! Why that's --

--oh, tragedy !.. A wet end to a jolly good effort ! Bad luck, Sir ! ... The --

--girls do remarkably well, but they --

--are up against some of America's best men at the game.... So, honours, naturally, go to them.
