(1). TITLE:- BRITISH FLEET.

Picture:- Port-of-Spain takes on the appearance of a Naval Base, when the great --

--ships of the Atlantic Fleet anchor in the harbour. ...
The islanders were naturally thrilled by the sight. ...
Some of the --

X --world's finest battle-ships are there, including the --

--wonder-ship "Rodney", with her crew of over 1,200 officers and men.

One of the rear-Admiral's first duties is to visit His Excellency --

--the Governor. ... The distinguished visitor and his staff are received at the Lighthouse Jetty, --

--where the guard of honour, (resplendent in white tunics and helmets) --

--is inspected. ... Trinidad is glad to welcome the Fleet, on its first visit, in strength, since the War.
