(4). TITLE.:- ROCKET BOAT.

Picture.:- Everything's ready for the test. ... If all goes well the little boat should, by means --

--of a stack of rockets, --

--shoot along at a terrific speed. ... The inventor has the courage --

--of his invention - he's going to --

--take any risks there might be, himself. ... Before the --

--rockets are fired "Sister Jane" says "Goodbye!".

Cheerio ! Old Chap ! and jelly good luck to you ! ...

All set ? ... Bang ! ... And away we go ! Oh ! --

--no we don't ! At least, not far !

Another shot !

This time she moves a little --

--more, but not much !

A final effort, --

+--BANG ! --

--and she dashes off the beaten track. ... And that's the end of her trip ! - Too bad !
