

(6). TITLE.:- POINT TO POINT.

Picture.:- It is estimated that over a hundred-thousand-people are here for this very popular meeting, which is looked upon as East Lancashire's very own Grand National.

The start for the big race is well out in the country. A good get-away - and a spanking pace !.....

The jumping is good - accidents are rare, I'm glad to say.

Summer-like weather helps the vast crowd to thoroughly enjoy the exciting sport. The field's a bit spread out, but the "tail" is by no means lagging. They've not given up hope yet !

Here's one who hates steeplechasing ! See how Fido does his best to be a nuisance ! Ah, he thinks he can do as well as any of those jockeys !

Here's the finish, with Jack Mytton the Second practically walking away with it !..... The crowd are quite satisfied with the thrills provided.

Of course, the satisfaction is greater if you have something to "draw" from the tote - or the bookies.
