TITLE.:- F(AIR) SEX.

(4).

Picture.:- Home at last ! The sight of the Berlin --

--aerodrome must have been a very welcome one after nearly--

--8,000 miles of air-travel.

Elli Beinhorn is only 22 years of age, so she's a much travelled --

--young person, on the strength of this trip alone.

Her plane was disabled in --

--the Sahara, on the return trip, so they --

--sent her another plane, in which to complete her journey.

Fraulein Beinhorn is greeted by the German Air Minister, and a host --

--of other officials. Just another proof that the "fair sex" --

--is the "air sex" as well.

We must take off our hats to the ladies !
