(1), TITLE:- WRESTLING.

Picture:- "Johanfesson" claims to be the undefeated world champion, while Douglas Clark is the Heavy-weight Champion of England.

Clark, on the left, is much the heftier of the two men.

At the sound of the gong, they "go to it" with agility rather surprising in such heavy fellows. Clark makes a mighty grab - ooh ! - That hurt ! - There's a bit of a tussle on the mat, but "Johanfesson" looks to be "all in" or rather, out ! He is ! In twenty-five seconds, too !

However he decides to "carry on", (so as to give the crowd ~~their money's worth~~), --
value for their money

--but he's soon down again ! In another fifteen seconds, the referee, from his position down on the mat with the wrestlers, decides that Clark is the better man !....

There was £500 a-side on this --

--bout, but Johanfesson" can't worry about that, just now!
