TITLE:- FLORAL FETE.

Picture:- Visitors to the famous Swiss health resort are treated to an exceedingly attractive display of decorated vehicles.

Hundreds of thousands of blossoms go to make up the pretty "moving pictures", of which this is a "fair" sample.

It's an effective way of greeting the summer, and, at the same time --

--giving holiday-makers something to remember when they get back home.

Those who put the beauties of nature on to canvas are represented in this novel manner. They are quite keen on art in these parts.

Providers of condensed milk are deputised for by their husbands.

Naturally, Cupid is always present where people make holiday.I know, I've had some !

And if ever you see a thing like this after a hectic day, or night, it's ...time...you...went...home !
