

(3). TITLE:- QUEEN FOR A DAY.

Picture:- Liverpool launches its "Shipping Week" in great style at Wavertree Park.

From hundreds of aspirants Miss Molly Barra was selected as Sea Queen - and very delightfully she fills the role, too! Her Marine Majesty's train is carried by a little four-year-old maiden, and two charming maids of honour are in attendance. The smart guard consists of two hundred boys --

--of the Nautical School - a happy choice for such an occasion!

The Mayoress of Birkenhead performs the crowning ceremony in the presence of thousands of people who are delighted to be numbered amongst the subjects of so beautiful a Queen. Yes, Liverpool has its attractions!

The idea was mooted that Queen Molly --

--should make a tour of the country, but another "school of thought" was of the opinion that her domain should be restricted to Liverpool.

Can you wonder they didn't want to share her with --

--anybody? Anyway, whatever happens, she belongs to Liverpool - lucky Liverpool!
