TITLE:- MONEY TO BURN.

Picture:- It is real money, which has had its day ! XXXX  
Dirty and germ-laden notes have to go to --

--the incinerator. XXXX After careful checking they are  
dropped--

--through a funnel-like arrangement into the --

--furnace-room below -- the real cash crematorium. XXXX

This way gets rid of money even quicker than could any  
of you ladies on a shopping--

--expedition ! XXXX Into the furnace they go, germs and  
all ! XXXX Germs wouldn't mean anything in my young life,  
if I could lay my hands --

--on some of this "filthy lucre !" XXXX Just think of it !  
Over --

--three-hundred-thousand-pounds disposed of in less than an  
hour ! XXXX Why --

--even our own government couldn't get rid of money much  
faster than that !
