(5). TITLE:- RAILWAY QUEEN.

Picture:- The throne is a chair which belonged to George Stevenson. XXXX And little Patria Clark is going to occupy it, in spite of the --

--controversy which raged round her for a couple of weeks before coronation day. XXXX The --

--chances are she didn't even know whether Dad was a member of a Union or not ! XXXX Be that as it may, you can't help being glad that Patria came to the throne after all. XXXX

A big crowd welcomes her, and the --

--retiring Queen, Lily Dunelow, as she arrives to participate in the ceremony. XXXX The crowning was to have been performed by the Joint Presidents of the Carnival, but --

--was eventually carried out by Mr. S.B. Carter, the district manager of the --

--L.M.S. Railway. XXXX So it is that little Queen Patria starts her year's reign in Manchester. XXXX Rain in Manchester ! XXXX I seem --

--to have heard something about that sort of thing before !
