Effects:- Cutting machines.

(3). TITLE:- ANOTHER RECORD BROKEN.

Picture:- Eighteen mechanical giants hard at it carving their way through fields of gold,--

--and a pan of wheat rushed to the "field kitchen" for the experiment! XXXX They want to see just how quickly it--

--can be turned into the finished article ! XXXX No time is--

--wasted, you may be sure ! XXXX Almost before you could say--

--"knife" a platter-full of wheat-biscuits is ready, and popped into the oven. XXXX Now it's just a matter of waiting,--

--with some interesting sights to pass the time ! XXXX

Cook says they're done - and, what he says, goes ! XXXX In a fraction--

--over twelve minutes from the time the wheat was growing in the--

--fields, it has become biscuits ! XXXX Quick work in the kitchen ! XXXX Something--

--to tell cook about, next time dinner's late ! XXXX But someone else can do the telling !
