(60). TITLE.:- SCIENTISTS BAFFLED.

Picture.:- It's unbelievable ! XXXX Now Sam, do your stuff ! XXXXXXXXXXXXXXXX I didn't believe it either ! XXXXX (But what can you do ?) XXXX He is normal in every other respect,--

--and Doctors just can't make it out ! XXXX I've heard of people's eyes "popping out of their head" but when Sam's do it - he can almost look round corners ! XXXX There's no fake about these pictures, it's just nature at one of its tricks ! XXXX After this, I'll believe anything - but he doesn't care one way or the other; it is a "Pop-Eyed World" to him, anyway !
